

Have you used a game-changing agent?

To be in with a chance of winning £500, share your story of how an agent has gone above and beyond to help make your move happen

Here's how it works:

All stories received will be entered into a competition, and **six winning stories** will be chosen by a judging panel

If your story wins, you'll receive a **£500 John Lewis e-gift card** to treat yourself (or your home) to something new

The agent featured will also receive prizes, including **recognition as a 'Game Changer'** using a quote from your entry
